

Pursuant to the Senate Order on departmental and agency funding agreements the following table sets out funding agreements entered into by FaHCSIA to the value of \$100,000 or more (GST inclusive) and which were actively funded in the period 1 July 2010 to 30 June 2011.

Most of the agreements listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be generated in carrying out the contract. Where these provisions apply confidentiality reasons have not been given.

Categories of Confidential Information

- a) Disclosure would reveal trade secrets which are judged to have the potential to cause detriment to the contractor;
- b) Disclosure would reveal the contractor's internal costing information or information about its profit margin;
- c) Disclosure would be contrary to the public interest;
- d) Disclosure would be contrary to statutory secrecy provisions; and
- e) Disclosure would be contrary to the Privacy Act 1988.

Anticipated End Date includes the period after an activity has ceased which is required for the return of financial acquittal reports.

This report does not include programs that have moved to other departments due to the Machinery of Government changes that occurred on 29 October 2010.
